

Huts/camping site cabins

## Huts/camping site cabins with kitchen and bathroom. Turn-key project

"Huts/cabins can be used in holiday villages, house share communities and recreational camping site. ABC Pavillon A/S has a number of standard models, which are produced in groups of 5-10 pcs. Houses can as well be produced according to drawings of the client."

### Competences

Our licensed sewer-plumbing, heating-and electrical engineers with approved quality control undertake all jobs as turn-key projects. A new undertaking is our sister company ABC Inventar A/S, which produces and delivers furniture and equipment for all purposes.

### History

The company has existed **since 1999** drawing on the experience of the last **35** years of production of industrial prefabrication for both private and public houses. ABC Pavillon A/S is a member of the Building Trade's Evaluation Centre and the organisation: Building Guarantee.

### Warranty - Price

We always offer a fixed price on our tasks, just as the different trade groups are subjected to continuous quality control.

### Facts

8 pcs. residential houses including permanent foundations, all installations and re-establishment.
